PROJECTS

MERN Stack User Authentication Application

- Implemented user registration and login functionality using Node.js and Express.js on the server-side. And MongoDB as the database to securely store user information, including hashed passwords.
- Designed and developed the frontend using React.js, a responsive user interface..
- Git-hub:- [seshadrikaku/User_Authentication \(github.com\)](https://github.com/seshadrikaku/User_Authentication)

Note Taking Web Application

- Designed and developed a note-taking application using React JS ,Redux, Bootstrap, CSS and JavaScript.
- Allowing users to create, edit, and delete notes.
- Live link:- [React App \(noteapp-redux.netlify.app\)](https://noteapp-redux.netlify.app)
- Git-hub:- [seshadrikaku/React-redux-Note-App \(github.com\)](https://github.com/seshadrikaku/React-redux-Note-App)

Weather Forecast Web Application

- Designed and developed a web application that provides users with current weather forecasts based on user input. Utilized HTML, CSS, Bootstrap, React JS and JavaScript, to create an interactive and responsive user interface!
- Implemented search functionality to allow users to search for weather forecasts for any location in the world.
- Live link:- [React App \(weather-report-123.netlify.app\)](https://weather-report-123.netlify.app)
- Git-hub link :- [seshadrikaku/weather-report \(github.com\)](https://github.com/seshadrikaku/weather-report)

Calculator Web Application

- Designed and developed a web application that performs mathematical functions based on user input. Utilized HTML, CSS, Bootstrap, and JavaScript to create an interactive and responsive user interface.
- Implemented various mathematical functions, including addition, subtraction, multiplication, division, and modulus.
- Live link:- [Document \(calculator1-2345.netlify.app\)](https://calculator1-2345.netlify.app)
- Git-hub link:- [caql/calculator at main · seshadrikaku/caql · GitHub](https://github.com/seshadrikaku/caql).

CERTIFICATION

Full Stack Developer Trainee at Innomatics Research labs,Hyderabad.

PERSONAL DETAILS

Name : Seshadri Kaku
